Please read the following SAP Signavio Cloud Academic License Agreement carefully (the “Agreement”). By clicking “I Accept”, or by attempting to access or use certain SAP Signavio Cloud Services for non-productive academic use made available by SAP (the “Cloud Service”) and other materials that accompany the Cloud Service (“SAP Materials”), You agree that the Agreement forms a legally binding agreement between You (“You” or “Your”) and SAP SE. If You do not agree to the Agreement, do not click "I Accept", and do not attempt to access or use the Cloud Service or SAP Materials.

1.1 Scope

SAP shall make the Cloud Service and SAP Materials available to You during the Subscription Term as defined in Section 8 below to remotely access and use the Cloud Service solely for Your own non-productive and non-commercial academic use as permitted by the Agreement and the Cloud Service documentation made available by SAP (“Documentation”).

You acknowledge that the Cloud Service is a preliminary version and not subject to any productive use license agreement or any other agreement with SAP. In addition, SAP has no obligation to include or remove any functionality in any future version or any product offering. 1.2 Permitted Use

You herewith confirm that You are enrolled at or a member of a public or private educational institution, such as universities, colleges, vocational school and secondary schools which classifies You as an Academic User and pursuant to which SAP grants to You a royalty-free, non-transferable and non-exclusive limited license to use the Cloud Service for the following exclusive non-productive and Non-Commercial Academic purposes and subject to the restrictions of the Agreement and the Documentation:
